MEMORANDUM FOR:

SUBJECT: Attached Letter and Memorandum

1. The attached inter-office memorandum concerning the procurement of order of battle information is, I think, self-explanatory. After considering all aspects of the problem, we have concluded that the best solution is to attempt to get this data from Strategic Air Command.

2. Inclosure 1 to the memorandum is a letter from Mr. Bissell to General Latta requesting the desired publications and suggesting procedures for forwarding same.

3. If you concur with this proposal and the recommended procedures, we will dispatch the enclosed letter to General Latta.
